

News Release

QuestAir included in PROFIT 100 ranking of Canada's Fastest-Growing Companies

For Immediate Release

6 June, 2005

BURNABY, B.C. – QuestAir Technologies Inc. (AIM: QAR; TSX: QAR), a developer and supplier of advanced gas purification systems for refinery, industrial and fuel cell markets, announced today that it has been included in the 17th annual PROFIT 100 ranking of Canada's Fastest-Growing Companies, published by *PROFIT: Your Guide to Business Success* magazine.

Jonathan Wilkinson, QuestAir President and CEO, said that inclusion in the PROFIT 100 recognizes the Company's commercial success in the industrial gas and demonstration fuel cell markets. "Over the past five years, we have made tremendous progress in expanding our product offering into a range of gas purification markets, as well as expanding our channels to market through distribution partnerships in high growth markets around the world."

Ranking Canada's Fastest-Growing Companies by five-year revenue growth, the PROFIT 100 profiles the country's most successful growth companies. Published in the June issue of PROFIT and online at PROFIT guide.com, the PROFIT 100 is Canada's largest annual celebration of entrepreneurial achievement.

Certain statements in this press release may constitute "forward-looking" statements which involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. When used in this press release, such statements use such words as "anticipate", "believe", "plan", "estimate", "expect", "intend", "may", "will" and other similar terminology. These statements reflect current expectations regarding future events and operating performance and speak only as of the date of this press release. Forward-looking statements involve significant risks and uncertainties, should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not such results will be achieved. A number of factors could cause actual results to differ materially from the results discussed in the forward-looking statements.
