

News Release

QuestAir announces filing of preliminary short form prospectus

THIS NEWS RELEASE IS NOT FOR DISSEMINATION IN THE UNITED STATES OR TO ANY UNITED STATES NEWS SERVICES.

For Immediate Release

3 May, 2006

VANCOUVER, B.C. – QuestAir Technologies Inc. (TSX: QAR; AIM: QAR) announced today that it has filed a preliminary short form prospectus in each of the provinces of Canada to qualify an offering of common shares of the Company. Clarus Securities Inc. and Canaccord Adams Limited will act as lead managers and joint bookrunners for the proposed offering. The offering may also occur by private placement in the United States, the United Kingdom and other jurisdictions in Europe.

Proceeds from this offering will be used to finance the ongoing development and commercialization of the QuestAir's proprietary gas purification technology, and for general working capital.

A copy of the preliminary short form prospectus is available on www.sedar.com.

This release shall not constitute an offer to sell or the solicitation of any offer to buy securities in any jurisdiction. The common shares have not been registered under the United States Securities Act of 1933, as amended, and they may not be offered or sold in the United States absent registration or an applicable exemption from registration.

About QuestAir Technologies Inc.

QuestAir Technologies, Inc. is a developer and supplier of proprietary gas purification systems for several large international markets, including existing markets such as oil refining, biogas production and natural gas processing, and emerging markets such as fuel cell power plants and fuel cell vehicle refuelling stations. The Company has joint development agreements with Exxon Mobil Research and Engineering Company and Shell Hydrogen, and a collaboration with FuelCell Energy. QuestAir is based in Burnaby, British Columbia and its shares trade on the AIM Market of the London Stock Exchange Plc. and on the Toronto Stock Exchange under the symbol "QAR".

Forward Looking Statements

Certain statements in this press release may constitute "forward-looking" statements which involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company, or industry results, to be materially different from any future results, performance or achievements

expressed or implied by such forward-looking statements. When used in this press release, such statements use such words as “anticipate”, “believe”, “plan”, “estimate”, “expect”, “intend”, “may”, “will” and other similar terminology. These statements reflect current expectations regarding future events and operating performance and speak only as of the date of this press release. Forward-looking statements involve significant risks and uncertainties, should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not such results will be achieved. A number of factors could cause actual results to differ materially from the results discussed in the forward-looking statements.
