

## News Release

### QuestAir Announces Option Grant to Director

#### For Immediate Release

8 August, 2007

VANCOUVER, B.C. – QuestAir Technologies Inc. (AIM: QAR; TSX: QAR) announced today that a non-executive director in the Company has been granted stock options as part of his annual compensation for serving as a director of the Company.

Mr. R. Terry Blaney was granted 9315 options to purchase common shares in the Company at an exercise price of CDN \$0.69. The options vest over the balance of the calendar year, and are exercisable in accordance with the terms of the Company's 2006 Omnibus Plan.

Disclosure of the director's option grant is made pursuant to the rules governing the operation of AIM as established by the London Stock Exchange Plc.

#### About QuestAir Technologies Inc.

QuestAir Technologies, Inc. is a developer and supplier of proprietary gas purification systems for several large international markets, including existing markets such as oil refining, biogas production and natural gas processing, and emerging markets such as fuel cell power plants and fuel cell vehicle refueling stations. QuestAir is based in Burnaby, British Columbia and its shares trade on the AIM Market of the London Stock Exchange Plc. and on the Toronto Stock Exchange under the symbol "QAR".

#### Forward Looking Statements

Certain statements in this press release may constitute "forward-looking" statements which involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. When used in this press release, such statements use such words as "anticipate", "believe", "plan", "estimate", "expect", "intend", "may", "will" and other similar terminology. These statements reflect current expectations regarding future events and operating performance and speak only as of the date of this press release. Forward-looking statements involve significant risks and uncertainties, should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not such results will be achieved. A number of factors could cause actual results to differ materially from the results discussed in the forward-looking statements.
