QuestAir announces filing of preliminary short form prospectus

THIS NEWS RELEASE IS NOT FOR DISSEMINATION IN THE UNITED STATES OR TO ANY UNITED STATES NEWS SERVICES.

For Immediate Release

25 March 2008

VANCOUVER, B.C. – QuestAir Technologies Inc. (AIM: QAR; TSX: QAR) announced today that it has filed a preliminary short form prospectus in all the provinces of Canada other than Quebec, to qualify an offering of common shares of the Company. Clarus Securities Inc. will act as the lead manager for the proposed fully marketed, public offering. The offering may also occur by private placement in the United States, the United Kingdom and other jurisdictions in Europe. The number of common shares to be offered and the price for the offering have not yet been determined. Proceeds from this offering will be used to finance sales and marketing activities, research and development, and for general working capital.

The offering is subject to certain conditions, including but not limited to, the receipt of all necessary regulatory approvals, including approvals of the Toronto Stock Exchange and the AIM of the London Stock Exchange. A copy of the preliminary short form prospectus is available on www.sedar.com.

This release shall not constitute an offer to sell or the solicitation of any offer to buy securities in any jurisdiction. The common shares have not been registered under the United States Securities Act of 1933, as amended, and they may not be offered or sold in the United States absent registration or an applicable exemption from registration.
